

URGENT NOTICE TO ALL AGENTS AND PERFORMERS

RE: CRAZY CANUCKS

It would appear that at this time the producers of the production called ***Crazy Canucks***, Bradshaw McLeod & Associates, are not providing Performers with ACTRA contracts.

Article 404 of the ACTRA Constitution and By-Law #9 of the ACTRA By-Laws clearly stipulate that all ACTRA members may only work under a duly executed ACTRA contract at a rate or fee not less than that prescribed in the current IPA.

Any member found in violation of the ACTRA Constitution and By-Laws will face severe discipline for breach of work rules and professional misconduct.
