

To: ACTRA EXECUTIVE COUNCIL AND THE I.P.A. COMMITTEE
FROM: The E.I.C.A.A. Executive Board

On behalf of our membership, we would like to extend our support to your I.P.A. negotiating team in their current talks with the CFTPA.

We understand that this is a crucial time in our industry and thank ACTRA for their efforts in securing basic rights and working conditions for our union actors. In reviewing the CFTPA's proposals, we feel that it is an attempt to roll back the clock on years of progress to make our industry viable in the international view. This is not the time to go backwards and we applaud ACTRA's position in preventing this from happening.

On behalf of the E.I.C.A.A.,

Lance Eng
EICAA Chair
