OUR MEDIA IS OUR MESSAGE

Many of Canada's big media companies are lobbying for permission to sell out to American interests. If Ottawa allows this, decisions about what we see and hear will be made in boardrooms in New York and L.A., not in Canada.

***If we lose control of our media,
we lose control of our culture.***

Please join us to show your support for keeping our media Canadian.

Friday, March 7, 2008

1:00 pm to 2:00 pm
