

Your Member Benefits

In addition to supporting our mandate of recognizing outstanding achievement in Canadian film and television, being an Academy Member gives you a number of benefits at an array of retailers and service providers. Check out the guide, keep your card handy and save...

Since 2000, the Academy of Canadian Cinema & Television, **ACTRA**, the Directors Guild of Canada (**DGC**) and the Writers Guild of Canada (**WGC**) have united to provide a more comprehensive member benefits package called **Members' Advantage Program – MAP**.

Since that time, MAP has welcomed the addition of the Canadian Society of Cinematographers (**CSC**), the Guild of Canadian Film Composers (**GCFC**), the Canadian Film and Television Production Association (**CFTPA**), the Canadian Actors' Equity Association, (**CAEA**) and the Canadian Cinema Editors (**CCE**).

These nine associations now share member discounts and benefits as identified in this booklet. Our goal is to continue to increase the quantity and quality of this benefits package.

All members in good standing of each of the above associations are automatically eligible to take advantage of the benefits.

ALL GOODS AND SERVICES LISTED IN THIS BROCHURE ARE THE RESPONSIBILITY OF THE VENDORS AND ARE SUBJECT TO CHANGE WITHOUT NOTICE.

You must indicate your current membership ID number and expiry date to obtain these discounts. And remember these discounts are not transferable -- only MAP members are eligible to receive them.

ENJOY!
