

# CRAIG HENRY

ACTOR / STUNTMAN

## ABOUT ME

Born in Canada Raised in Hungary Craig Henry is a trilingual actor speaking English French and Hungarian based out of Toronto Canada. "I used to think acting was silly. The truth was i was too afraid to realize acting was what I always wanted." Dreams of acting seemed too far fetched for a kid growing up on the streets of Toronto. "I was on my own at 14 having to fend for myself, if it was not for art I think I would have lost touch with my heart." A creative person, Directing, Writing, Photography and Video everything he does is around a camera and involves story telling. Craig got his first break as an actor starring in the feature film 11Blocks (netflix). "After 11Blocks I felt like I could do anything. I chose to persue stunts and acting at the same time to maximise how much time I was spending on set and learn as much as I can. My favorite place to be is on set " Now you can see Craig acting in hit like Shazam, The Expanse, Shadowhunters and Letterkenny. "I feel like this is a good start to my master plan to help others achieve there dreams. If we all help eachother a little bit. We can make deams come true.
