//BRIEF BIOGRAPHY

Zaac Pick's brand of hauntingly personal folk-pop has been winning awards, fans, and gaining acclaim since the release of his first solo EP in 2009. His songs have been featured on television dramas One Tree Hill, Rookie Blue, Saving Hope, and Deglassi, and he has opened for the likes of The Civil Wars, Bahamas, and Noah Gundersen. In 2012, his graceful sophomore EP, 'Whitewater' earned a West Coast Music Award nomination for 'Best Solo Roots Record'. 'Constellations', his debut full-length album, was released in 2015.
