Hey there,

My name is Matthew (Mattie) Martin from Millbrook First Nation (Truro) NS . My BG/Extra work all started many moons ago in the USA when I was living and working in the Gulf of Mexico. Since that time I have had the pleasure and amusement of doing **BG work** for the following:

Final Destination 4 - Race car fan, **HBO Treme** - Jazz club bar patron, **Beethoven's Treasure** - Casino Player, pedestrian couple, **SEED (Season 2)** - Hospital guest, **Ethics Video (with lines)** - lawyer and convicted felon, (armed robbery and aggravated assault), **New Brunswick Nurses Association** - photo shoot, **HAVEN** -Police detective, **Trailer Park Boys** - Jail guard, a Father, Police Officer (Driver), **Mr. D** - Basketball coach (x 2), Bar Patron, Parent, **Jesse Stone** - Lobster fisherman , **Halifax 80s Dating commercial** (Principle Role) - Donnie or AKA "Big D" , **PURE** - (Continuance) Police Officer and Detective, **Hopeless Romantic** – Party Guest

This hour has 22 minutes - Tim Hortons patron, FBI Officer, Town Hall member, Jeopardy Show Security Guard, Air Canada Businessman, Police Officer, Debate Spectator, Bartender, Canada Customs Officer, White House Personal, Airport Passenger, Hockey Referee(Special Skills role)

Polaroid - a Father with child, **The MIST** - Doctor, **SPINSTER** – Bartender, **DIGGSTOWN** – Correctional Officer, Park Walker, Sheriff, **CAVENDISH**- Prison Guard, **Foster Care Nova Scotia** - Father in Family Shoot, **Captive** - Cameraman

I am a *COMMERCIAL LOBSTER/SNOWCRAB Fisherman* (and a former BY-LAW ENFORCEMENT OFFICER, SPECIAL CONSTABLE). I'm a people person with what some may call a "sarcastic sense of humor" yet very easy to get along and work with. I'm laid back and easy going and remain very active as well. If I'm not building or renovating something, I'll slap a puck around or run someone over in a *few Hockey leagues I'm in*. I play *golf, ball, jog* and probably play or have at least tried to play every other sport out there lol. I am an involved member of my First Nations community and partake in many of our functions/events also. Toss anything in my direction and I'll do it or I'll go down swinging while attempting it ;) . So go ahead and take a gamble on me.....my wife did !
