

## Resume of Sigrid Miemiec

I have performed on stage in school-plays **way, way back**, in Hamburg/Germany and also produced, directed and starred in plays in our neighbourhood **before** highschool-age.

Than life got in the way and I only started background-performing in 2009, beside my self-employment to pay the bills.

Since then have worked on the following movies:

The Vow, Robocop, The Captive, American Girl Blanche, Pixels, Inland, IT, Miss Sloane, Downsizing and more.

Have also worked on the following TV-Shows:

Flashpoint, Being Erica, Covert Affairs, Bomb Girls, Alphas, Defiance, Saving Hope, Rookie Blue, Bitten, The Strain, Man seeking woman, Beauty and the Beast and more recently Good Witch Schitt's Creek, 12 monkeys, Suits, Designated Survivor, Private Eyes, Salvation and many more.

I am generally judged to be a lot younger than my actual age, but would play characters in a very wide age-range.
