## Summary

Detail-oriented author and actor accomplished in motion pictures and television, as well as in a variety of literature from the classics to modern political theory. Excel at relationship-building, organization and making sound judgments under pressure and within tight deadlines.

## Highlights

- Actor
- Author
- Guitar Player
- Sport and other Related skills (At your Request)
- Martial Artist (ninjutsu)
- Infantryman (Canadian Forces)
- Welder-Fitter (Metal Fabricator)
- Driver (AZ Drivers Licence)

## Accomplishments

I am an accomplished public speaker. My study in the field of political science at Nipissing University has provided me with many occasions to speak and debate on a variety of topics which include aspects of world peace to the horrific issues of war both in small groups and public settings. My strong skill is the ability to think quickly and improvise when necessary. I am skilled in the trades and have life experience with various situations which has made me strong, independent and of good character.
