Interests:

In my spare time I enjoy playing soccer, basketball, speed Rubik's Cube, ukulele, guitar, drums, hiking and hanging out with my friends.

About Me:

I am a friendly person. I enjoy trying a lot of different activities and try to do my best in everything I do. My favorite subjects in school are Social Studies and Science, and I'm always working hard to improve my musical abilities. When I'm older I would like to get a PhD in psychology or history.
