to whom it may concern;

I am an actress new to the industry seeking to land principal roles in divisions of film and television, with the appropriate assistance and partnership.

My most recent film and television experience has been with director/writer Aaron Sorkin in the new feature film of 'Molly's Game.' Where I play lead role Jessica Chastain's co-worker, of a 'Shot Girl.' As well as the role of a 'Handmaiden' in the new Hulu TV series 'The Handmaids Tale,' directed by Mark Barker.

I am currently studying privately at the *Professional Actors Lab* with Glen Gaston and David Rotenberg, focusing on the subject of 'On Camera Essentials.' Previously, I studied abroad in Paris, France with Charles Weinstein at the 'Film Acting Paris Studios.' Additionally, my extensive 15 years as a model relates to the professional world of acting, where we display character modifications and understand the art of castings and auditions.

I look forward to hearing from the team to set up an interview at your discretion, to discuss the possibility of a successful partnership. You can find my resume to follow Please feel free to contact me at anytime via email or by phone at 416-575-3121.

Sincerely,

Erica Marie Krauter
