I was born in Singapore, raised in Canada and lived in USA for medical studies. Having a passion for movies/filming, I always appreciate the immense work needed to direct and produce them. Due to my medical background, I am not only personable, friendly & diligent, but also professional and can take direction and criticism well. I love playing the piano & guitar as well as composing and singing songs in my downtime. Accents in progress: Indian, Singaporean/Malaysian, Canadian, American, Middle-eastern, British
