Fit and energetic! I have Film/TV experience at different levels: main participant in an "Amazing Race" type of TV rally for teams Parent-Kid, photo double, BG on multiple productions, show host, newsroom intern, assistant to Art Director, bachelor degree in Communication Studies (TV prod), worked in the convergence of TV/Radio to Web.

Artistic and creative, interior design has also been my niche, but my focus is in this Film/TV industry (which I love!), my online business and helping animal rescue organizations. I am professional, respectful and adaptable.

Keeping healthy & in shape (20 years of weight training), dancing (10 years of zumba), travelling and meeting people is my way to go! I can work with my sons also fluent in French, Mathis (13) and Tristan Canavor (16), and my 2 large Belgian Shepherd dogs (both 7).
