## **Additional Info**

I have a diverse background including production work and BGE work for film and television, as well as music(both performing and composing) . I am proficient with firearms and I have also completed the above mentioned Stunt/Combat fundamentals workshop which has greatly improved my skills in all related areas and activities i.e. falls, combat moves, disarms, as well as wire work. I am available and reliable. Also willing to alter appearance as required i.e. beard, hair length/color.
