MEET SOPHIA

Sophia Webster is a happy, smart, energetic, easygoing 8 year- old girl from the Toronto area. Her dream is to become an Actress. She is currently taking tap, jazz and musical theatre dance and a member of the 2018/2019 PKS competitive dance team.

She loves all things girly with some fun and adventure. Sophia began her modelling career when she was just a year old. From age 3, she moved on to acting as her preference but still enjoys modelling. When she is not on-set or performing, her favourite things to do are: anything creative, swimming, jetskiing, gymnastics and spending time with her family and friends. She is a best friend to younger brother and a great care taker of her dog, Howie, who she simply adores.
