

- COVER LETTER:

My name is Shay Rachele, I am a Full Union Member with UBCP ACTRA. I was also proudly crowned as Miss Emancipation in 2011! ('Freedom Festival' 2011- 2012) in Windsor, Ontario. I hosted and organized several galas and my own events for the pageant in and out of the city. I continue to use my voice to empower today's youth and to encourage everyone to do what's right, stand for what you truly believe in, and to follow your dreams. As often as I can I choose to be involved in projects that help bring awareness to general issues within my community. Whether it be hosting an event or modeling in a charity fashion show, I do what I can to give encouragement to a cause.

Since moving back to BC in 2017 I've been steady pursuing my goals as an Actor. I would love to build my career working with people that stand for something positive and support my career goals, this is why I feel I would make a fabulous addition to your roster of professional Actors. I am a very fit, health conscious, hard-working and driven young woman, very experienced in Public Speaking, Modeling and Acting. I have a laid- back/ independent and spunky attitude that pushes me to follow my dreams! I am very professional, ambitious and a team player that works well with others. I look forward to your reply.
