I began working as a Background Actress in the Summer of 2018. I have over 25 years of experience acting and singing in various church and school groups and choirs. I also enjoy public speaking and have many years of experience as a sales professional.

I enjoy acting and although new to the industry I have a reputation on set of being dependable and professional.

I look forward to working many more productions and appreciate the opportunities to better myself in this industry.

Background Acting Experience

- I worked on a variety of sets last Summer including Chilling Adventures of Sabrina, Take 2, various Hallmark Christmas productions, Siren, Legends of Tomorrow, Salvation, an Ali Wong Untitled Movie, Good Doctor, Supergirl, Good Boys, Wu Assassins, and Loudermilk.
