Profile

I have been very active since a young age at competitive levels in gymnastics, diving, and breakdancing. I am currently in competitive trampoline and I am an advanced skateboarder.

Experience and Skills

STUNT PERFORMER

I was hired as a stunt performer for Disney's production of Gabby Duran and the Unsittables which was produced in Langley, B.C. in March 2019.

DANCER

I am a member of a famous Vancouver Breakdance Crew named Now or Never who performed at the closing ceremonies of the Vancouver 2010 Winter Olympics. I have been breakdancing for 7 years and for my age I am the best breakdancer in Canada and I have competed in numerous local and international battles.

I have also performed at over 80 weddings and other venues with the Now or Never Crew which has given me confidence to perform in front of large crowds. For example, we performed at the half time show of our local University Basketball playoffs to a crowd of over 5,000 people.

GYMNASTICS, TUMBLING, TRICKING, KICK BOXING

I was enrolled in competitive gymnastics for several years. I also have many classes in parkour and free running. I can hold handstands for over a minute, do multiple back handsprings, standing backflips, and other tricks such as corks. I also took kick boxing lessons for several years and can perform elaborate kicks.

TRAMPOLINE

I have been in competitive trampoline at Flip City, Langley B.C. since 2017. I will be at the national level of competition in 2019.

DIVING

I tried competitive diving for several years prior to trampoline and worked up to dives such as two and a half off 3m spring board and other difficult dives off platform as high as 7.5m. In 2017 I was the Canadian Amateur Diving Champion for my age group.

SKATEBOARD

I was lucky to learn how to skate from a local skateboarding legend: Andy Anderson who has been chosen to represent Canada at the 2020 Summer Olympics. I have entered multiple competitions with multiple wins and specialize in both bowl and street.

Education

I am currently enrolled at Elgin Park Secondary in Surrey, B.C. in Grade 9. I am currently getting mostly A's in all subjects.
