Profile

Mostly experienced on stage as a singer, actor and dancer on various Opera and musical theater productions. I am now looking more into work in cinema as an actor, background performer and stand-in.

The years of experience with different stage managers and conductors from all around the world taught me how to be a professional and accomplished performer in rehearsals as well as on the stage.

Experience

Opera

3 rd role as The pink dragqueen, <i>Champion</i> , Opera de Montreal	2019
