ACTOR

SUMMARY OF QUALIFICATIONS

- Currently a background performer for Netflix/ABC/History/Facebook, and tech assistant at VIBE Productions. Specializing in lighting, audio and set building.
- I have completed the WHIMIS and Actsafe Exams with A's
- 5 years experience working on independent films, working behind the camera, as a sound engineer (Boom Mic) and lighting various scenes. I also have experience editing films using Premiere Pro for independent and student films.
- High school graduate from Miles Macdonell Collegiate 2014 (French Immersion Program)
- Have Accomplished 2 years of a Film/Theatre degree at the University of Winnipeg.
- Written and filmed 5 of my own movies.
- Extensive acting training since beginning studying dramatic arts in junior high school.
- Very creative and like to think of myself as an eager learner and a hard worker.
- Worked as a paid extra on the set of (BREAKTROUGH) for the duration of April 2018.
- Since moving to Vancouver in May I've been on
- The Good Doctor
- Project Blue Book
- Theres Someone Inside Your House
- A Babysitters Guide To Monster Hunting
- Sacred Lies
- A Million Little Things
- Godfrey

- The Main Event
- I have also volunteered, in excess of 500 hours helping friends and classmates in completing their own films, working boom audio, background lighting, and as cinematographer.

ACCOMPLISHMENTS

TRILINGUAL

- English is my first language.
- I am fluent in French and have been speaking the language since kindergarten.
- I am also fluent in Spanish from previous classes taken during high school.

AUDIO/LIGHTING

- Experience setting up lighting, speakers, LCD floors and TV/computers for presentations
- I have extensive experience using various types of sound equipment and microphones, I am also experienced in splicing, isolating and editing audio and video on Premiere Pro.
- I have 3 years experience in background 3-point lighting using LED and bulb lights and am skilled at set up and dismantling of lighting equipment.

CINEMATOGRAPHY

- I am very comfortable in operating handheld and mounted cameras, I have been educated in proper shot techniques and can comfortably frame any given shot, whether it be pan, zoom, tilt or tracking shots.
- I have the extensive experience using a SONY REBEL T35 50mm, and SONY PXW models

ACTING

- I've accumulated 8 years of acting experience, performing in theatre since junior high school and into university
- I've also done on screen acting, doing extra work for (BREAKTHROUGH) 2019 and have played a countless range of characters for independent student films.
- I have played lead roles in high school/university theatre performances and I am able to memorize material without fault.
- I have played demanding roles and have a wide acting range.

- I can imitate 20-30 accents realistically and accurately.
