Born and raised in Paris, France, I have been inspired to dance from a very early age. Moving with music, either choreographed or freestyle, creates joy for me, it is what I live for! I dedicate myself fully to this artform, and am a disciplined student of the greats in our industry. Full of enthusiasm, I want to make my mark as a dancer and build a colorful career. Expect the highest level of professionalism, creative energy and my full dedication at all times when working with me.
