AGENTS NOTES

Max came in to see me in September, and within 5 minutes of our meeting I realized I had a star on my hands. He is extremely focused, and can take direction very well. I know that once you get a chance to meet him you will agree with me.

MY LIFE BY MAX

I love to act. My mom and dad say that I have a lot of energy and that I should put the 2 of those things together and I will be famous. I am a good student and work hard to get good marks. I love sports and music. I play the drums and I think I am pretty good!
