Building things such as flower gardens, sheds  
General yard work such as grass cutting, dirt moving, interlocking stone  
Music (play piano and saxophone)

## Languages: English

French (won a the French award at school)

## Background:

I am a very considerate, courteous, responsible and easy going not shy. I am dedicated to meeting the clients' goals and objectives. I am very punctual and have never been late for an appointment. I enjoy physical activities such as wake boarding, swimming, skateboard or helping out around the house. I have taken on many large projects; for example last year I designed and built a go-kart that I drove it in the Santa Clause parade.

I have my boating license and have taken adult courses in safe boating practices. I have been involved with working on a farm and with animals and this has taught me how to motivate and work well in a team environment.

**School:** I am a solid A student with strength in math, science, and languages.
