

Elva Earlls

OBJECTIVE & Considerations:

I wish to continue in background roles and I aspire to principal roles in movies, TV and commercials. I would like to work more than I have in the past few years. My looks may seem old and frail, but I am quite careful about my health and can endure significant stress. However, I do know that I cannot tolerate long hours in cold and wet conditions.

WORK HISTORY

I have worked as background for a total of 87 days between December 1999 & December 2002. For the year 2003 I have completed 11 working days up to July. Just this year (2003) I was selected for a prop shot on the set of Welcome to Mooseport. My experience spans both TV and feature movie productions.
