### A LITTLE MORE ABOUT SAMANTHA

Samantha is in grade two and has participated in 6 school concerts. This year she auditioned for the elementary school talent show and was one out of two girls who won. She then was able to perform in front of the entire school (twice). The Study's music teacher, Ms. Mettwalli, (a classically trained opera singer) asked Samantha to sing for the Board of Governor's Christmas Lunch for the Shriner's Hospital. Samantha was the youngest out of her entire school.
