Other information

Throughout my life I have been involved in several sporting activities. These include: rodeo, soccer, gymnastics, boxing, skating, and swimming. I consider myself highly adaptable and able to pick up new activities with ease.

Most of my life has been spent horseback. I have expert horsemanship skills in western riding and am currently training in English riding.

During the last couple of years, I have become involved in various activities geared directly toward the stunt industry including high falls and fight training.
