Brown hair, Blue eyes.

Valid Drivers License , Cars, big trucks, motorcycles.

Horse riding and driving skills & avid motorcyclist.

I started my career in the film and entertainment industry in 1976 as an interviewer on a CBC Documentary called “THIS LAND”. As my career continued I worked on numerous film and stage projects as a technician in various departments giving me the varied experience to properly understand the industry.

Since that start I have worked as a extra on many TV shows, and feature films when called upon for the needs of “special skills” such as driving cars , trucks, motorcycles and riding and driving horses. Within the last few years I have also had principals in television and feature films. I also work as a transportation coordinator within the industry.

Principal roles

Odyssey 5 - Music Executive

Streettime - Maitre'D

American Pie “ Beta House ” - The Mountie
