ADMINISTRATIVE EXPERIENCE

University of Prince Edward Island

Retention Research Specialist

Conducted year-long research study and university outreach leading to a comprehensive report detailing student retention practices throughout Atlantic Provinces with the goal of significantly improving retention practices at UPEI.

- Conducted research in Canada and U.S. to identify best practices and benchmark UPEI retention standards with other leading universities.
- Conducted focus groups and online student surveys, with subsequent analysis of results.
- Facilitated meetings across campus and with external constituencies to better understand student retention issues from a variety of perspectives.
- Created a full-length report making recommendations for future student retention practices at UPEI.

ACADEMIC TEACHING EXPERIENCE

Courses taught:

University of Prince Edward Island, PEI

Department of English and Theatre Program

- Introduction to Drama
- Special Topics: Playwriting
- Academic Writing

York University, Ontario

Theatre Department

- Introduction to Acting
- Acting for Non Majors
- Aspects of Theatre

Frontier College, Ontario

Co/production between Theatre on the Move (a children's theatre company) and Frontier College; touring the play "Not as hard as it Seems", which dealt with the issue of illiteracy in Canada. Following the play, actors conducted workshops and facilitated discussion with students from various high schools across Ontario with a view to encouraging reading, and participation in the arts.
