## **Interests and Hobbies**

**Piano:** Completed the Grade 5 level of the 'Royal Conservatory of Music' program. I have successfully completed all levels with First Class Honors. Also, I have created a number of musical compositions myself, and hope to eventually have some published.

**Theater:** I studied drama with 'The Childrens Theatre' for four years, from 1995 to 1999' during which time I participated in numerous productions, performed at several locations in Montreal. I have also had three audio jobs as a result of this experience, which consisted of reading English texts to be used for English classes in French schools. These jobs are credits toward my ACTRA apprentice membership.

**Martial Arts:** I have been training since August 1999 and recently obtained my blue belt in Karate, and am currently preparing for the brown belt level. I have also had training in Kung Fu.

**Writing:** I am very interested in writing and have written several short stories and compositions. I hope to have some of my work published, as one of my future goals is to pursue a career in writing.

## **Previous Work Experience:**

**Loblaws,** May through November 2001.

Duties included bagging groceries, restocking shelves, clearing the parking lot of grocery carts, checking for prices and general help

**Acting (through ACTRA):** Background performer in "Hysteria – The Def Leppard Story" in April 2001.

Also see audio jobs in "Theater" above.
